

DO YOU HAVE...?

Here are some must-haves in the barn for your show horse. They are time tested & will save you the money spent on the trial and error of trying different products available on the market. These are products that will help you take care of you and your horse so you can treat yourselves like the athletes that you are. Happy shopping!

- ◆ Forschner's Hoof Packing -For packing hooves after a hard work out.
- ◆ Uptite Poultice -To set up legs after a rigorous workout, or to prepare for a hard workout.
- ◆ Orvis Soap - A clean equine soap that is good on the horse's coat.
- ◆ Ivory soap bar (for washing poultice/liniments off legs)
